## ***Disaster Prep: What's next?***

**Wednesday, September 15**  
**9:00 am - 3:30 pm Holiday Inn Ontario Airport**  
**2155 E. Convention Ctr Way**  
**Ontario, CA 91764**

The special agenda for this **FREE** workshop will include:

### Keynote Presentation

- *Pat Durland, Stone Creek Fire LLC*  
"Making it Happen: The Latest and Greatest in Wildfire Mitigation!"

### Multi-Hazard Presentations

- *Sue Perry, Staff Scientist, United States Geological Survey*: Introducing a just-launched, 3-year USGS "best case fire scenario" to identify actions and choices that best reduce our wildfire risk
- *Dan Dyce CPCU RPA, Earthquake Response Manager, California Earthquake Authority*
- *Martin Ayala, Director, American Red Cross, Inland Empire*

### Local Solutions Presentations

- Learn from your peers and fellow Fire Safe Council leaders
- Discover new ideas for making your community fire safe
- Hear about the benefits of becoming a Firewise community

A panel of Farmers Insurance Group agents and managers will also discuss their views on the wildland fire problem, and you will get to take a tour of their mobile "Customer Care Vehicle".

Of course, the workshop includes a **free lunch** and an excellent opportunity to network with local fire agency personnel and FSCs, and possibly recruit Farmers agents and staff as volunteers for your own FSC!
